#### ANNEXURE-I

#### SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31 MARCH 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

#### ISHAAN INFRASTRUCTURES AND SHELTERS LIMITED

G.F. 1, Shagun Complex, 93, Swastik Society, Opp. Fairdeal House, Navarangpura Ahmedabad, Gujarat-380009

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s.ISHAAN INFRASTRUCTURES AND SHELTERS LIMITED** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the

information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31 March 2017** ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31 March 2017** according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

#### **Management Discussion & Analysis Report**

#### A. FORWAD LOOKING STATEMENTS:

The report contains forward looking statements, identified by words like "plans", "expects", "will", and so on. All Statements that address expectations or projections about the future, but not limited to the Company's strategy for growth, product development, market position, expenditures and financial results, are forward looking statements. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realised. The Company's actual results, performance or achievements could thus differ from those projected in any forward–looking statements. The Company assumes no responsibility to publicly amend, modify or revise any such Statements on the basis of subsequent developments, information or events.

#### B. SECTOR OVERVIEW:

Several factors still continue to act as strong drivers for long term sustainable real estate demand like Latent demand for homes, Continued economic growth, Trend towards nuclear families, Young working population, Rising disposable incomes, Increased urbanisation, Inherent desire to own a home etc.

Inflation, Higher interest rates, High risk weight-age for loans to companies operating in the sector, Non- availability of low cost working capital, Employment growth, Time lag during the approval process while launching a project, Higher statutory levies, Nonavailability of skilled manpower, Uncertainty of title continue to remain as challenges being faced by the Sector as a whole.

The employment generated in the construction and real estate sector is immense and it is, in fact, the second largest employer in the country. The development of the real estate and construction industry can also be directly linked to the development of approximately 256 different industries like cement, steel, building materials etc. It is, therefore, imperative that impetus should be provided to the construction and real estate sector so that overall economic development can be achieved.

Infrastructure investment has traditionally been associated with public sector monopolies largely due

to high cost of implementation. However, the sector is experiencing an exemplary shift, as the government is taking measures to encourage private investment on PPP (Public Private Partnership) model. This should make the infrastructure sector economically vibrant and Competitive

The positive sentiments prevailing post new government are motivating the economy to perform better and push the limits but it may take a few months before the growth in the real estate industry is actually visible. As long as the government's action plans focus on a progressive economy, we believe that the industry operations will revive in the coming few quarters. We hope that the government will focus on policies that will reduce the burden on real estate builders by accelerating the approval process, reducing the interest costs and taxes levied and controlling the trending inflationary pressures.

As per the 12th FYP midterm appraisal, the overall private sector investment share is likely to be 36% during the Plan period. Further, according to the 12th FYP midterm appraisal, infrastructure investment is likely to close to 8% of the GDP which is consistently below the original target of 9% which is requirement to sustain 8-9% GDP growth.

Though the housing shortage continues to be high in the country and especially in rural areas, it is expected that the demand for housing and home loans in urban areas will continue to rise faster as a result of the increased urbanization in the country. Not only have

the metro cities witnessed rising population but even Tier I and Tier II cities have been experiencing similar trends of increasing population and demand for housing. With investments flowing into urban infrastructure, this trend can only intensify in the times to come. The demand for housing will therefore continue to grow in the medium to long term

#### C. STRENGTHS & OPPORTUNITIES:

#### **Housing Demand**

The gap between the demand and supply of housing continues to be of great opportunity for Infrastructure companies. Investment in housing is a prioritized item on the national agenda as it

Contributes in the country's GDP growth, directly and indirectly.

The average age of a new homeowner is now 32 years compared with 45 years a decade ago.

Your Company expects demand from the mid income residential segment to remain strong as we believe there is significant demand in this category across the country. Increasing disposable incomes, rapid urbanization and strong demographics are some of the trends favouring the mid-income residential.

#### **Monetary Easing**

The real estate sector performance is directly bound by the country's economic fundamentals and monetary policies. In January 2014, the RBI increased repo rates to 8% impacting the cost of borrowings and the interest rates on home loans. Monetary easing initiatives will provide an impetus to housing demand. Even a nominal roll-back in rates can positively impact sentiments and encourage home buyers and real estate developers. The Company can leverage on land bank which has favourable time cost capable of generating positive cash flow which will propel the growth.

#### **Real Estate Reforms**

In order to realize the long-term growth potential of the sector, there is a growing need to introduce reforms. Year 2014-2015 has witnessed various measures initiated by the Indian Government to revive growth in the real estate sector, which if executed correctly, will encourage transparency, corporate governance and investment and improve the industry's long-term prospects. It is our hope that various regulations also incorporate provisions to address challenges the sector currently faces in terms of receiving project Approvals.

## Real Estate Regulation and Development Bill, 2013

The Real Estate Bill was introduced in the Rajya Sabha on August 14, 2013, post approval from the Union Cabinet in June 2013. The Bill aims to bring in a high level of transparency in real estate transactions in India and implementation of projects. State Governments, along with the Ministry of Consumer Affairs, the Competition Commission of India, the Tariff Commission among others have backed the Bill.

#### D. THREATS:

There are, however, a number of factors that can spoil the party. Land costs, which are a major

Constituent of housing costs in metros; have risen much faster than property prices.

Listing out the challenges for the real estate market in India, a report by Price Waterhouse Coopers said that the Indian government's tax policy was not in tandem with the liberalization initiatives being undertaken in the sector. According to it, "There are no substantial tax incentives for real estate development except in the limited circumstances. Even in these situations, the tax incentive windows have a short life left.

#### E. RISKS

Infrastructure projects in emerging economies like India are perceived as vulnerable to risks and efforts must be made to introduce greater clarity in policy to reassure investors. Infrastructure projects in developing countries like India are perceived as highly vulnerable to risks which constrains financing. The aim of the policy makers should be to reduce perceived risks by introducing greater policy clarity and, at the same time, providing an environment that will reassure investors. Some of the notable risks that need to be reckoned with arise during the period of construction, leading to time and cost over-runs. They also included operational risks and market risks besides interest rate, foreign exchange, payment, regulatory and political risks. The Planning Commission has pegged investment of USD 1 trillion in the infrastructure sector during the 12th Five Year Plan period that will commence from April, of which half is targeted to come from private sector. The Government of India along with RBI, the Central Bank of India are taking number of steps to promote funding in the infrastructure sector. Funding is the major problem for infrastructure financing and there are other issues which aggravate the problems of raising funds. These include legal disputes regarding land acquisition, delay in getting other clearances (leading to time and cost overruns) and linkages (coal, power, water) among others.

#### F. INTERNAL CONTROL SYSTEM & THEIR ADEQUACY:

A comprehensive system of internal controls exist in the company to safeguard the assets against loss from any unauthorized use or disposition and to ensure proper authorization of transactions are recorded and reported suitably. The Company maintains a system of internal control designed to provide a high degree of effectiveness and efficiency of operations, accuracy and promptness of financial reporting and observance with laws and regulations.

#### G. HUMAN RESOURCES:

As the construction industry is expanding rapidly, the demand for talented and experienced manpower is also going up rapidly. Our Company has well qualified and experienced staff. There was no industrial arrest during the year.

#### H. STATUTORY COMPLIANCE:

The Company has complied with all the statutory requirements. A declaration regarding compliance of the provisions of the various statutes is also made by the Managing Director at each Board Meeting. The Company ensures compliance of the ROC, SEBI Regulations and provisions of the Listing Agreement.

#### J. CAUTIONARY STATEMENT:

This management discussion and analysis contains forward looking statements that reflects our current views with respect to future events and financial performance. Our actual results may differ materially from those anticipated in the forward looking statements as a result of many factors.

### INDEPENDENT AUDITORS' REPORT

To,
The Members of
Ishaan Infrastructures and Shelters Limited.
Ahmedabad.

### Report on the Financial Statements

We have audited the accompanying the financial statements of Ishaan Infrastructures and Shelters Limited ('the Company'), which comprise the balance sheet as at 31st March, 2017, the statement of profit and loss and the cash flow statement for the period then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

CFO & N. B. Sheth

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. For Ishaan Infrastructures & Shelters Line

For, Ishaan Infrastructures & Shelters Lin

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

For, Ishaan Infrastructures & Shelters Ltd.

### ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Ishaan Infrastructures and Shelters Limited** ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained read with notes on accounts is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting *read with notes to accounts* and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### ISHAAN INFRASTRUCTURES AND SHELTERS LIMITED

### 1 CORPORATE INFORMATION:

Ishaan Infrastructures And Shelters Limited GF - 1, Shagun Complex, 93, Swastik Society, Opp. Fairdeal House, Navrangpura, Ahmedabad-380009 is engaged in the business of Property Developers as well as Trading in Stationery Papers. The shares of the company are listed with The Stock Exchange, Ahmedabad.

### 2 SIGNIFICANT ACCOUNTING POLICIES

### a. Basis of Preparation of Financial Statements:

The financial statements are prepared under the historical cost convention, in accordance with Indian Generally Accepted Accounting Principles ("GAAP"), including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014., on the accrual basis, as adopted consistently by the company.

The preparation of the financial statements in conformity with GAAP requires that the management of the company ("Management") make estimates and assumptions that affect the reported amounts of revenue and expenses for the year, reported balances of assets and liabilities, and disclosure relating to contingent liabilities as of the date of the financial statement.

### b. Revenue Recognition:

All Income and expenses are recognized on Accrual basis.

### c. Fixed Assets:

All Fixed Assets are stated at its cost of acquisition. Including any attributable expenses incurred for bringing the asset into working condition for its Intended use, less accumulated depreciation.

Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on assets and their respective additions / deduction have been provided on pro- rata basis according to the period for which each such assets have been put to use.

### d. Earning Per Share:

In considering the Earning Per Share, the company considers the Net Profit after tax and includes the post – tax effect of any extra – ordinary items. The number of shares used in computing both basic and diluted earning per share is the weighted average number of share outstanding during the period. There are no potentially dilutive equity shares.

### e Income Tay

Income taxes are computed using the tax effect accounting method, where taxes are accrued in the same period in which related revenue and expenses arise. A provision is made for income tax annually based on the tax liability computed after considering tax allowances and exemptions.

The differences that result between the profit offered for income taxes and the profit as per the financial statements are identified and thereafter a deferred tax assets or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount being considered. The tax effect is calculated on the accumulated timing differences at the end of an accounting period based on prevailing enacted or substantially enacted regulations. Deferred tax assets are recognized only if there is reasonable certainty that they will be realised and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

### f. Inventories:

Closing stock is valued at cost or market price whichever is lower.

### g. Employee Benefits:

No provision for employee benefits has been made since none of the employees of the Company have completed the specified period of service.

### h. Investments:

Investments are shown at cost. In case of shares where market value is not ascertainable, face value has been considered as market value.

### I. Segment Reporting

The company is engaged in the business of Trading of Stationery Papers and steel. The products are similar in nature and therefore are not subject to different risks and returns. Moreover, the company caters only to the needs of Indian Markets. Hence there are no reportable business segments/geographical segments.
