Management Discussion & Analysis Report

A. FORWAD LOOKING STATEMENTS:

The report contains forward looking statements, identified by words like "plans", "expects","will", and so on. All Statements that address expectations or projections about the future, but not limited to the Company's strategy for growth, product development, market position, expenditures and financial results, are forward looking statements. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realised. The Company's actual results, performance or achievements could thus differ from those projected in any forward–looking statements. The Company assumes no responsibility to publicly amend, modify or revise any such Statements on the basis of subsequent developments, information or events.

B. <u>SECTOR OVERVIEW:</u>

Several factors still continue to act as strong drivers for long term sustainable real estate demand like Latent demand for homes, Continued economic growth, Trend towards nuclear families, Young working population, Rising disposable incomes, Increased urbanisation, Inherent desire to own a home etc.

Inflation, Higher interest rates, High risk weight-age for loans to companies operating in the sector, Non- availability of low cost working capital, Employment growth, Time lag during the approval process while launching a project, Higher statutory levies, Non availability of skilled manpower, Uncertainty of title continue to remain as challenges being faced by the Sector as a whole.

The employment generated in the construction and real estate sector is immense and it is, in fact, the second largest employer in the country. The development of the real estate and construction industry can also be directly linked to the development of approximately 256 different industries like cement, steel, building materials etc. It is, therefore, imperative that impetus should be provided to the construction and real estate sector so that overall economic development can be achieved.

Infrastructure investment has traditionally been associated with public sector monopolies largely due to high cost of implementation. However, the sector is experiencing an exemplary shift, as the government is taking measures to encourage private investment on PPP (Public Private Partnership) model. This should make the infrastructure sector economically vibrant and Competitive

The positive sentiments prevailing post new government are motivating the economy to perform better and push the limits but it may take a few months before the growth in the real estate industry is actually visible. As long as the government's action plans focus on a progressive economy, we believe that the industry operations will revive in the coming few quarters. We hope that the government will focus on policies that will reduce the burden on real estate builders by accelerating the approval process, reducing the interest costs and taxes levied and controlling the trending inflationary pressures.

As per the 12th FYP midterm appraisal, the overall private sector investment share is likely to be 36% during the Plan period. Further, according to the 12th FYP midterm appraisal, infrastructure investment is likely to close to 8% of the GDP which is consistently below the original target of 9% which is requirement to sustain8-9% GDP growth.

Though the housing shortage continues to be high in the country and especially in rural areas, it is expected that the demand for housing and home loans in urban areas will continue to rise faster as a result of the increased urbanization in the country. Not only have the metro cities witnessed rising population but even Tier I and Tier II cities have been experiencing similar trends of increasing population and demand for housing. With investments flowing into urban infrastructure, this trend can only intensify in the times to come. The demand for housing will therefore continue to grow in the medium to long term.

C. <u>STRENGTHS & OPPORTUNITIES:</u>

<u>Housing Demand</u>

The gap between the demand and supply of housing continues to be of great opportunity for Infrastructure companies. Investment in housing is a prioritized item on the national agenda as it

Contributes in the country's GDP growth, directly and indirectly.

The average age of a new homeowner is now 32 years compared with 45 years a decade ago.

Your Company expects demand from the mid income residential segment to remain strong as we believe there is significant demand in this category across the country. Increasing disposable incomes, rapid urbanization and strong demographics are some of the trends favouring the mid-income residential.

Monetary Easing

The real estate sector performance is directly bound by the country's economic fundamentals and monetary policies. In the financial year 2018-19, the RBI decreased repo rates to 6% impacting the cost of borrowings and the interest rates on home loans. Monetary easing initiatives will provide an impetus to housing demand. Even a nominal roll-back in rates can positively impact sentiments and encourage home buyers and real estate developers. The Company can leverage on land bank which has favourable time cost capable of generating positive cash flow which will propel the growth.

Real Estate Reforms

In order to realize the long-term growth potential of the sector, there is a growing need to introduce reforms. Year 2018-2019 has witnessed various measures initiated by the Indian Government to revive growth in the real estate sector, which if executed correctly, will encourage transparency, corporate governance and investment and improve the industry's long-term prospects. It is our hope that various regulations also incorporate provisions to address challenges the sector currently faces in terms of receiving project Approvals.

27

D. <u>THREATS:</u>

There are, however, a number of factors that can spoil the party. Land costs, which are a majorConstituent of housing costs in metros; have risen much faster than property prices.

Listing out the challenges for the real estate market in India, a report by Price Waterhouse Coopers said that the Indian government's tax policy was not in tandem with the liberalization initiatives being undertaken in the sector. According to it, "There are no substantial tax incentives for real estate development except in the limited circumstances. Even in these situations, the tax incentive windows have a short life left.

E. <u>RISKS</u>

Infrastructure projects in emerging economies like India are perceived as vulnerable to risks and efforts must be made to introduce greater clarity in policy to reassure investors. Infrastructure projects in developing countries like India are perceived as highly vulnerable to risks which constrains financing. The aim of the policy makers should be to reduce perceived risks by introducing greater policy clarity and, at the same time, providing an environment that will reassure investors. Some of the notable risks that need to be reckoned with arise during the period of construction, leading to time and cost over-runs. They also included operational risks and market risks besides interest rate, foreign exchange, payment, regulatory and political risks. The Planning Commission has pegged investment of USD 1 trillion in the infrastructure sector during the 12th Five Year Plan period that will commence from April, of which half is targeted to come from private sector. The Government of India along with RBI, the Central Bank of India are taking number of steps to promote funding in the infrastructure sector. Funding is the major problem for infrastructure financing and there are other issues which aggravate the problems of raising funds. These include legal disputes regarding land acquisition, delay in getting other clearances (leading to time and cost overruns) and linkages (coal, power, water) among others.

F. INTERNAL CONTROL SYSTEM & THEIR ADEQUACY:

A comprehensive system of internal controls exist in the company to safeguard the assets against loss from any unauthorized use or disposition and to ensure proper authorization of transactions are recorded and reported suitably. The Company maintains a system of internal control designed to provide a high degree of effectiveness and efficiency of operations, accuracy and promptness of financial reporting and observance with laws and regulations.

G. <u>HUMAN RESOURCES:</u>

As the construction industry is expanding rapidly, the demand for talented and experienced manpower is also going up rapidly. Our Company has well qualified and experienced staff. There was no industrial arrest during the year.

H. <u>STATUTORY COMPLIANCE</u>:

The Company has complied with all the statutory requirements. A declaration regarding compliance of the provisions of the various statutes is also made by the Managing Director at each Board Meeting. The Company ensures compliance of the ROC, SEBI Regulations and provisions of the Listing Agreement.

J. <u>CAUTIONARY STATEMENT:</u>

This management discussion and analysis contains forward looking statements that reflects our current views with respect to future events and financial performance. Our actual results may differ materially from those anticipated in the forward looking statements as a result of many factors.

COST AUDIT

The Cost Audit is not applicable to the company.

VIGIL MECHANISM

ANNEXURE-D SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2020

[Pursuant to section 204(1) of the Companies Act,2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, **ISHAAN INFRASTRUCTURES AND SHELTERS LIMITED** G.F. 1, Shagun Complex, 93, Swastik Society, Opp. Fairdeal House, Navarangpura Ahmedabad, Gujarat-380009.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. ISHAAN INFRASTRUCTURES AND SHELTERS LIMITED** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31**st **March, 2020** ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31**st **March, 2020** according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

INDEPENDENT AUDITORS' REPORT

To, The Members of Ishaan Infrastructures and Shelters Limited. Ahmedabad

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Ishaan Infrastructures and Shelters Limited** ('the Company'), which comprise the balance sheet as at **31**st **March**, **2020**, the statement of profit and loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. However, we have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Physical movement of Goods like stationery items and M.S. Plates forming part of total turnover of the Company	We have verified the invoices and payments / receipts for the purchase and sales transactions of stationery items and M.S. plates forming part of total turnover. However, we have not been provided with transportation documents or any other evidences in support of physical movement of such goods and so we have relied on the management certificate for the same.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143(3) of the Act, based on our audit we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- 2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ishaan Infrastructures & Shelters Limited ("the Company") as of 31 March, 2020 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(A) Financial Risk Management Objectives and Policies

The Company's principal financial liabilities, comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and ensures that Company's financial risks are identified, measured and governed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below.

(i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk that affects the Company comprises of one element: Interest rate risk. Financial instruments affected by market risk include loans, borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to short term debt obligations with fixed interest rates.

(ii) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities including deposits with banks and other financial instruments.

Trade Receivables

Customer credit risk is managed by the Company's policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial asset disclosed in respective note. The Company does not hold collateral as security.

Cash deposits

Credit risk from balances with banks is managed by the Company in accordance with its policies. These policies are set to minimize concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

(iii) Liquidity Risk

The Company manages its liquidity risk by using liquidity planning and balancing funds requirement vis a vis funds available. Various lines of credit available are used to optimize funding cost and ensuring that adequate funds are available for business operations.

(B) Capital Risk Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to equity shareholders.

The Company monitors capital using a ratio of adjusted net debt to equity. For this purpose, adjusted net debt is defined as total liabilities, comprising interestbearing loans and borrowings and obligations under finance leases, less cash and cash equivalents. Equity comprises all components of equity.

The Company's policy is to keep the ratio below 2.00. The Company's adjusted net debt to equity ratio at 31st March, 2020 was as follows:

Particulars	As at 31st March, 2020	As at 31st March, 2019	
Total liabilities	14,197,612	8,767,979	
Less: cash and cash equivalents	(1,091,947)	(115,502)	
Adjusted net debt	13,105,665	8,652,477	
Equity	69,526,370	65,046,806	
Equity	69,526,370	65,046,806	
Adjusted net debt to equity ratio	0.19	0.13	

Note - 30 (a) 1. Previous Year's figures have been regrouped / reclassified wherever necessary to confirm to current year presentation.

2. We have verified purchase and sales of Stationery items & M.S. Plates on basis on invoices / vouchers. However, in case of physical delivery of these items we have relied on management's explanations.

3. Company has during the year granted loans to directors, companies / firms in which such directors are interested in contravention of Sec. 185 of the Companies Act, 2013.

4. Wherever when original bills / vouchers/ supportings were not available during the course of our audit we have relied upon the vouchers / bills as certified by the directors.
